UGANDA MARTYRS UNIVERSITY

FACULTY OF EDUCATION

MASTER OF EDUCATION

Course: FINANCIAL LITERACY AND FINANCIAL RESOURCES MANAGEMENT IN EDUCATIONAL INSTITUTIONS.

Course code: ADM5110

Date: 1st/06/2024

Time allowed: 2 hours 30 minutes

Instructions:

DO QUESTION ONE AND ANY OTHER TWO.
ALL QUESTIONS CARRY EQUAL MARKS.
START EACH QUESTION ON A FRESH PAGE IN THE ANSWER BOOKLET.

1. A good manager pays keen attention to human resource, financial and material resources, data resources and other things. In which practical and technical ways should a good school manager handle the financial and material resources of a school?

2. Describe the characteristics of a good budgetary process and of a budget that is managed well.
   b) Draw a school budget for 400 million shillings, for one term.

3. As a new head teacher of a sad, 'third world' school, what challenges are you most likely to face and how can you manage them in order for the school to obtain its educational goals?

4. List at least five possible sources of school financing and analyze the likely challenges that can arise from school dependency on each one of such sources of financing?
5. Taking a bank loan for a school may be vital or detrimental. Discuss.

=====*Do your best and God will do the rest. Good luck to you*====
