---

**TASK**

Uganda Martyrs University Council Board with a goal to see that each student at the campus has access to a personal laptop has directed the Faculty of Science through their students to RE-DESIGN the **webpage(home) of UMU** and include a slot advertising the **FFUNA LAPTOP** scheme that is available at all the university branches across the country, this is aimed at increasing awareness of this opportunity on all the university social media platforms among students, parents and other stake holders.

As a student who has undergone Graphic Design and Animation unit, you are tasked to draft the design concept and execute it using any of the programs covered in the semester.

**Marking Guide**

- Creativity (20 marks)
- Work execution and use of software (show proof of software usage) (20 marks)
- Presentation and saving (10 marks)

**TOTAL 50 MARK**

GOD BLESS YOU
